libretools - Bug #622

librestage asks me to set an undocumented configuration variable "ABSLIBREDEST"

2014-12-16 12:13 AM - alfplayer

Status:	not-a-bug	**% Done:**	0%
Priority:	bug		
Assignee:			
Category:			

Description

```
Configure 'ABSLIBREDEST' in one of:
  -> /etc/libretools.conf
  -> /home/build/.config/libretools/libretools.conf
```

Not documented in those configuration files or the Parabola wiki.
