Packages - Packaging Request #676

[openfwwf] add package to use broadcom wifi cards

2015-02-19 01:48 PM - GNUtoo

Status:	fixed	**% Done:**	100%
Priority:	bug		
Assignee:			
Category:			

Description

Some broadcom wifi cards do work with free software, thanks to the openfwwf (http://www.ing.unibs.it/~openfwwf/index.php) free software firmware.
In fact Trisquel packages it.

Denis.

b43-open/ucode5.fw
is missing. It is loaded in Trisquel 7. It is free for rev 01 of 144e:4311 as reported by h-node.com
