

Packages - Bug #739

[iceweasel] WebConsole works wrong

2015-06-11 10:24 PM - arder

Status: fixed	% Done: 100%
Priority: bug	
Assignee:	
Category:	
Description Webconsole has many bugs, in WebConsole when write a command and send the command not cleared and creates a new space, it is annoying, in devtool>Storage not show anything, try the same configuration in Abrowser in trisquel and works fine.	

History
