

Packages - Packaging Request #932

[rtirq] add package for PCR

2016-02-12 04:46 PM - totalchaos

Status:	fixed	% Done:	100%
Priority:	wish		
Assignee:			
Category:			
Description rtirq is used to adjust priorities of IRQ handling threads. rtirq is recommended by parabola-proaudio-settings, because its very useful for boosting the performance of the firewire sound cards. http://www.rncbc.org/jack/
