

Packages - Packaging Request #966

[pdfjs] add package to PCR

2016-03-14 08:27 PM - rh

Status: fixed	% Done: 100%
Priority: wish	
Assignee:	
Category:	
Description I would very much like to have pdf.js packaged since it is convenient to use with qutebrowser. The AUR package that currently exists is sufficient, so all that is required is to get this into the repositories. https://aur.archlinux.org/packages/pdfjs/
