Packages - Packaging Request #985

[python-steamcontroller-git] add package to PCR

2016-04-12 11:04 PM - pizzaiolo

Status:	fixed	**% Done:**	100%
Priority:	wish		
Assignee:			
Category:			

Description

Steam maintains a userland driver for their controllers. Here's the github project: https://github.com/ynsta/steamcontroller

Here's the package at AUR: https://aur.archlinux.org/packages/python-steamcontroller-git/
